

President Joe Biden, Vice President Kamala Harris,
Senator Tim Kaine & Virginia Democrats *are*

DELIVERING RESULTS FOR VIRGINIA'S WORKING FAMILIES

Under President Biden, Virginia's economy grew at 2.4% over the last year – which is faster than the economic growth in the world's advanced economies.

- ✓ Virginia's unemployment rate is at 2.8%, **down from 4.8% when Trump left office.**
- ✓ President Biden created over **327,000 jobs in Virginia**, including more than 11,000 manufacturing jobs.

WE NEED TO RE-ELECT SENATOR TIM KAINE

CREATING JOBS, STRENGTHENING OUR
ECONOMY AND REBUILDING
OUR INFRASTRUCTURE

- ✓ Will protect Virginians' fundamental rights, **including a woman's right to make her own health care decisions**
- ✓ Will ensure seniors can **retire with dignity**
- ✓ **Cut taxes** for working families

- ✗ Hung Cao is an **anti-choice extremist** who believes life begins at conception, which would put IVF and certain forms of birth control at risk, was **"thrilled" that Roe v. Wade was overturned**, and would be an automatic vote for a **national abortion ban.**
- ✗ Hung Cao is a MAGA extremist who only looks out for himself, not Virginians. He called a plan to **end Social Security, Medicare, and Medicaid "perfect,"** and would jeopardize the retirement of thousands of Virginia seniors.
- ✗ Hung Cao has made clear he supports Donald Trump every chance he gets, while **Virginians have rejected Trump and his dangerous agenda twice.** Cao has said he is a "MAGA Republican" and in the "Trump America First camp."

PRESIDENT BIDEN AND VICE PRESIDENT HARRIS, WORKING WITH SENATOR KAINE, ARE LOWERING COSTS FOR FAMILIES, WHILE DONALD TRUMP WOULD RAISE THEM

- ✓ **Lowering prescription drug prices and capping insulin at \$35 a month** for over 1.6 million Virginia seniors and other Medicare beneficiaries.
- ✓ Canceled **nearly \$160 billion in student debt for 4.8 million borrowers** – with a plan to relieve debt for more than 30 million borrowers. President Biden has forgiven **\$3.8 billion for 75,310 Virginians.**
- ✗ Trump wants to **repeal the Affordable Care Act** and undo this progress.
- ✗ Trump praised his nominees to the Supreme Court for **blocking President Biden's student loan relief plan.**

WE NEED TO ELECT OUR 11 DEMOCRATIC NOMINEES TO WIN BACK THE HOUSE AND MAKE HAKEEM JEFFRIES THE SPEAKER

- ✓ When we gave President Biden control of the House and Senate in 2020, Democrats passed historic legislation, including **the American Rescue Plan, the Inflation Reduction Act, the Bipartisan Safer Communities Act, and the Bipartisan Infrastructure Law.**
- ✓ Virginia's House seats are **critical** to delivering President Biden and Vice President Harris another Blue Congress so they can continue their **monumental progress.**
- ✓ The House of Representatives is on a razor's edge, the need to elect our candidate for the U.S. House is **more important than it has ever been.**

PRESIDENT BIDEN AND VICE PRESIDENT HARRIS, WORKING WITH SENATOR KAINE, ARE FIGHTING TRUMP'S ABORTION BANS AND WORKING TO PROTECT REPRODUCTIVE RIGHTS

In Virginia, over 1.7 million women of reproductive age would be subjected to chaos and cruelty if Trump returns to the White House and bans abortion nationwide.

- ✓ Continuing to call on Congress to **restore the protections of Roe v. Wade** to ensure that people in every state have access to the reproductive health care they need.
- ✗ If Trump makes his way back to the White House, he could **ban abortion access in Virginia – with or without the help of Congress.**
- ✓ If Congress passes a national abortion ban, President Biden has **promised to veto it.**
- ✗ Trump has **bragged about overturning Roe v. Wade**, called for **punishing women who have an abortion**, and is now running to **ban abortion nationwide.**

Virginia is the last state in the South without a total abortion ban because Virginians flipped the state legislature blue in 2023 - and we won't let Trump overrule the will of Virginians.

TRUMP'S PROJECT 2025 THREATENS VIRGINIANS' RIGHTS AND FREEDOMS AND OUR DEMOCRACY

Project 2025 is Donald Trump's extreme and dangerous blueprint for his second term that would give Trump virtually limitless power over your daily life and let him use the presidency to enact "revenge" on his enemies.

Project 2025 should scare every single American.

If you don't know what it is, you should look it up – but here's a brief overview:

- ✗ Would allow Trump to **fire up to 50,000 federal workers** and replace them with MAGA loyalists.
- ✗ Guts checks and balances to **give Trump total power** to use the presidency for revenge and retribution and **be a dictator on "day one."**
- ✗ Places the entire federal bureaucracy under direct presidential control and **eliminates job protections for hundreds of thousands of Virginians with government roles**, replacing them with political appointees.
- ✗ **Bans abortion nationwide** and **punishes women** who get an abortion.
- ✗ **Raises taxes** for the middle class while **giving handouts to billionaire donors.**

Trump's conservative Supreme Court has already given him a blank check to do virtually whatever he wants with no regard for the rule of law.

If he wins, there is no question Trump will use it to pass his Project 2025 agenda.
